- Concept party (Baby shower, Vintage, Ethnic, Kids, Animation).

## Bartenders experience

Bartenders is the first cocktail catering company in Greece providing services of a fully equipped, simple or premium cocktail bar all year round. Unique cocktail recipes following the latest techniques and trends in the field of bartending, fresh ingredients, excellent service, professionalism and smile! And all the above with years of experience in the events field.

## We create your personal cocktail!

Ask us to make your own personal cocktail especially for the night of your wedding inspired by one of your special moments, a place that means a lot to you both or your favorite song. Our team consists of experienced bartenders and mixologists who will guarantee success for the cocktail bar of your party and prepare all cocktails before the event, so you can taste before choosing.

You just keep the fun of the perfect cocktail bar at your wedding, let Bartenders do the rest!
